(7) The interest on the debentures will be paid half-yearly on 30th June and 31st December at the Bank's Office in Bangalore City. Arrangement will however be made, *on application*, for payment of interest at any Treasury in the Mysore State.

(8) The debentures are exempt from Stamp Duty.

(9) As per Section 57 of the Mysore Co-operative Societies Regulation No. V of 1929, these bonds—

(*a*) shall be deemed to be negotiable instruments to which the provisions of the Mysore Negotiable Instruments Regulation, 1917, apply; and

(*b*) shall be included amongst securities in which a trustee may invest trust funds under any law for the time being in force in Mysore.

(10) (*i*) Debentures which, by reason of damage sustained, have become unfit for circulation, will be replaced at the request of the holder on giving up the damaged or defaced debentures provided that the essential marks for genuineness and identity especially the number, the amount, the rate of interest, the date and signatures of the authorised executing officers of the Board of Directors are still recognizable. Fresh debentures shall also be issued to replace completely destroyed debentures when, in the opinion of the Board of Directors, the fact of destruction is proved without any doubt or uncertainty.

(*ii*) When such proof is not produced or when in case of damage the essential marks on the debentures are lost and no longer recognizable, as well as in all cases in which the debentures have been stolen from the owner or have been in other ways mislaid, a new debenture will only be issued when the debenture which is alleged to be missing or unrecognizable has been previously advertised for by the claimant in the manner prescribed by the Board of Directors and its nullity legally declared.

(*iii*) The re-issue shall be made for the same amount under the same number with the addition of the word "renewed." A fee of eight annas will be charged for every renewed debenture thus issued.

(11) Separate debenture bonds of Rs. 100 each, or consolidated bonds of Rs. 500, Rs. 1,000 or Rs. 5,000 will be issued in lieu of the bonds of equal value on payment of a fee of eight annas for each bond so issued.

(12) Under No. (2) of the Rules relating to Mysore Co-operative Land Mortgage Bank issued with Government Order No. G. 5929—L. M. 4-29-4, dated the 11th November 1929, a trustee will be appointed by Government to secure the fulfilment of the obligations of the Bank to the holders of these debentures.

Teaching of Elementary Mathematics in Kannada.

READ—

Government Order No. E. 2147-49—Edn. 3-30-8, dated 16th June 1931, passing orders in the matter of adopting Kannada as the medium of instruction in certain High Schools as an experimental measure in regard to the teaching of History and Geography.

2. Letter No. A. 3-4478-519 of 32-33, dated 6th September 1933, from the Director of Public Instruction in the matter of teaching Elementary Mathematics in Kannada in a few High Schools.

ORDER NO. E. 1731—EDN. 132-33-2, DATED BANGALORE, THE 21ST NOVEMBER 1933.

"That the Director of Public Instruction be requested to extend the permission granted to High Schools for teaching History and Geography in Kannada to the teaching of Elementary Mathematics also as an experimental measure, provision being made for the teaching of Elementary Mathematics in English also."

The Director in forwarding a copy of the marginally noted resolution passed at the Provincial Educational Conference held under the auspices of the Mysore Secondary Education League in March last, states that the strain on the students involved in learning every subject through a foreign medium would be further lessened by introducing the teaching of one more subject in Kannada, that Mathematics is already being taught successfully in Upper Secondary Classes in the vernacular and that this subject which is found by several students to be rather difficult, would then be liked better if taught in Kannada. He further reports that several heads of High Schools have expressed their desire to teach this subject in Kannada in view of the willingness of many of the students to be taught in the vernacular. It is also reported that the experiment of teaching History and Geography in Kannada has been a success in the institutions where this has been tried and that the pupils thus taught have shown a better comprehension of the subject and their performance in English in class examinations has not been inferior to that of others. The Director, therefore, requests sanction to the teaching of Mathematics in Kannada in one or more sections in such High Schools as have two or more sections, English being employed as a medium of instruction in at least one section for the benefit of such pupils as prefer to be taught in English or are unable to follow the Kannada teaching, with effect from the next school year.

Government are pleased to sanction the proposal of the Director of Public Instruction.

Reconstitution of Town and Minor Municipal Councils under the New Municipal Regulations.

READ—

Letter No. A3. 470—33-34, dated the 2nd August 1933, from the Deputy Commissioner, Kadur District, soliciting instructions as to whether steps should be taken in accordance with the provisions of the new Town Municipalities Regulation, 1933, to increase the elected strength of the Tarikere Town Municipal Council whose term expires on the 30th June 1935, or whether the present strength may be continued till the expiry of the present constitution.

2. Letter No. C. 234-33, dated the 15th September 1933, from the Deputy Commissioner, Hassan District, soliciting instructions as to the exact position under the new Municipal Regulations of the marginally noted Municipal Councils in the Hassan District, whose terms expire on or after 1st January 1934.

ORDER NO. L. 3699-707—ML. 111-33-13, DATED BANGALORE, THE 21ST—24TH NOVEMBER 1933.

The Minor and Town Municipalities Regulations came into force throughout the State from 1st August 1933. Such of the Minor and Town Municipal Councils as were constituted under the Municipal Regulation, 1906, whose terms were due to expire between the months of July and December 1933, had their terms extended up to 1st January 1934 to enable them to have the benefit of the increase in the elected strength under the provisions of the new Regulations. These Municipal Councils will be reconstituted with effect from 1st January 1934 in accordance with the new election rules and the necessary instructions have already been issued in this behalf.

2. The question as to the exact position under the said Regulations of the remaining Municipal Councils whose terms expire on various dates after 1st January 1934, has been under the consideration of Government for some time. These Councils,

though constituted under the Municipal Regulation, 1906, continue to function by virtue of the proviso to Section 2 of each of the new Regulations. This section, the provisions of which are only transitory, gives validity to the existing state of things as far as may be necessary, *i.e.*, until the Municipal Councils are properly constituted by elections under the new Regulations. Government consider it necessary to reconstitute these Municipal Councils also so as to give them the benefit of the increased elected strength under the new Regulations, allowing sufficient time to enable the elections to be held in accordance with the new election rules, and are accordingly pleased to direct as follows :—

(i) In the case of Municipal Councils whose terms expire between 1st January and 30th June 1934, action should be taken in the usual course to hold elections for reconstituting them from the due dates;

(ii) In the case of the remaining Municipal Councils—21 in number as noted in the accompanying statement—whose terms expire after 30th June 1934, their terms should be treated as expiring on that date and action taken to reconstitute them so that they may be able to function from 1st July 1934

3. A provisional calendar showing the dates of election separately for the Town and Minor Municipal Councils which would have to be thus reconstituted from 1st July 1934 is appended hereto. The Presidents of the Municipal Councils concerned may be instructed to adopt them with such modifications as may be necessary in the circumstances of each case.
